How to Find Us

Youlgreave is 5 miles from Bakewell and can be accessed from the A6. We are also close to the A515. The hostel is situated in the centre of the village opposite the old stone water tank which is decorated with '1829'.

Nearest Train Stations are Matlock and Buxton both 12 miles from Youlgreave.

Buses pass through the village approximately one per hour.

Watch out for the signs! You may see Youlgreave, Youlgreave and Youlegrave depending on what direction you're coming from. It's all the same place, so don't worry!

Parking

There is just one parking space at the front of the hostel for guest use. A car park is available at the west end of the village next to the allotments, a 5 minute walk from the hostel.

Please do not park in walkways, driveways or around the well in the centre of the village.
