

45 ROAD CLUB – KETTERING C.C.

50 mile Time Trial - Sunday 1st August **Timekeepers Bob Hill & Graham Swannack**

The course 6 Laps of the N7 Earls Barton – Doddington – Billing is slightly overdistance at least ½ mile making some of the performances all the more worthy. A warm morning considering the early start. A rising breeze seemed to make the return to billing a little more difficult each lap.

Rob Barker takes the Kettering championship and Bob Swannack pushed himself so hard to become the 45 champion that he collapsed with cramp as soon as he crossed the line.

Stuart Wright was the fastest over 50 miles reaching the timekeepers 14 seconds inside his personal best. Planet X teammate Sam Barker was the fastest over the 25mile distance.
