Another warm evening with light wind and good number of riders.

Encouraging to see personal bests from young riders and new members.

Junior Tom Kruger under the "21" barrier an improvement of 46 seconds on this course to win the event, maybe a "19" soon?

Four new members returned pb's, Steve West improved 2.54, after starting with a "28" 3 weeks ago, to take 4th place. Oliver Chatterton, the youngest rider in the event produced a fine 24.47 in his second "10".

David Malings went 2.03 faster at 25.05, and Kevin McDonald 33secs faster at 25.32. George fox finshed his first "10" with 28.34

Andy Wildman worked hard and produced a 38 second improvement to 24.30. Super vet Tom Wildman knocked 2 more seconds off his seasons best but still looking for under 30 minutes.

Good to see Graham Swannack back riding a club event after his interrupted comeback with a broken leg.
